THE LOOK OF EFFICIENCY.

The **Amburgo** range of closed islands and wall cabinets takes refrigeration to a new level of performance in terms of efficiency and product presentation. Minimalist design, high load capacity, reduced consumption, modularity and customisation: the **Amburgo** range preserves product quality and improves the shopping experience.

ISLAND

HORIZONTAL

Double basin models are available with a **single evaporator for both basins**, a solution that increases load capacity and makes maintenance easier and faster.

Innovative technical solutions like the introduction of glass support **profiles in PVC** and thicker internal foam ensure **perfect thermal insulation** under all conditions and prevent the formation of condensation. **Less waste and constant operating temperature** mean greater savings.

THE PERFECT CLIMATE

- Modern, minimalist design
- No joints between the glass
- Excellent product display
- High load capacity
- Small footprint

CUSTOM COMBINATIONS.

Amburgo islands and wall cabinets stand out for their impressive modularity and flexibility thanks to a **wide range of sizes and the availability of multiple combinations**, even with end units. **Amburgo** can satisfy all your store's needs.

Matching style is guaranteed
by a variety of customisations:

- laminates
- stainless steel
- paint finishes

ACCESSORIES

1 - Wire basin partitions

2 - Bottom grilles
