FOCUS ON CAPACITY.

This glass-door vertical cabinet optimises the presentation of frozen products and reduces display footprint. **Mini Astana P** combines compact dimensions with the ability to adapt to all needs and spaces and amazingly flexible presentation.

ATTRACTIVE VERTICALITY.

Thanks to its slender design, products are displayed in an eye-catching way that is sure to attract shoppers. An innovative display solution exploits every inch of space to focus attention to the quality of products, making this cabinet a great ally for anybody seeking to offer impeccable service.

DESIGNED FOR FUNCTIONALITY.

A large, flexible display area and minimal door frames combine to guarantee an excellent view of the foods on all levels. Internal LED lighting presents products in the most effective way. Mini Astana P stands out for exceptional attention to detail.

- Large display surface
- Minimum footprint
- High load capacity
- Easy access to products
- Choice of versions

VERSATILITY WITH STYLE.

Mini Astana P is available in a compressor version in 2 or 3 door lengths and in a remote version with 2, 3, 4 or 5 doors, making it ideal for medium and large supermarkets. Thanks to its great versatility, this display adapts easily to all needs while combining style with performance.
